Skill Up-gradation Course On

# Programming

(SUCOCP-2017)  
4-16 December, 2017

## Organized by

Computer Engineering Department,  
GIDC Degree Engineering College,  
Block No.: 997, Village Abrama,  
Ta:Jalalpore, Dist:Navsari  
Email:gidcengcol@gmail.com

### Who can apply?

S.S.C/H.S.C/All Discipline (Diploma/Degree)/B.C.A  
/M.C.A/ B.Sc(IT), M.Sc(IT)

### Participation Fee Structure

Course Fees: Rs. 800/-

Payment should be made in cash at Computer Engineering Department, GIDC Degree Engineering College, Abrama, Navsari

### How to apply?

Application in the attached form the concerned authority along with the registration amount should be send to coordinator. In view of laboratory work maximum **FORTY** participants on first cum first basis will be accommodated.

For Online Registration log on:

<https://goo.gl/forms/1JpCafkLTrhJHf2I2>

### Important Dates

Last date of Registration: 30-11-2017  
Notification Confirmation:01-12-2017

### Patron

Dr. K. N. Mistry, Principal,  
GDEC, ABRAMA

### Organizing Committee

All faculty members of COED,  
GDEC, ABRAMA

### Coordinator and Contact

Prof. Archana M. Nayak  
Prof. Kaushal T. Kevadia  
Prof. Bhumika H. Patel  
Prof. Pankti S. Naik  
Prof. Mihir A. Mishra  
Prof. Vibhuti P. Patel  
Prof. Avani P. Patel

## REGISTRATION FORM

Computer Engineering Department,  
GDEC, Abrama

1. Name:

.....

2. Course (Degree/Diploma):

.....

3. Enrollment No: .....

4. Department: .....

5. Year/Sem: .....

6. Institutional Address:

.....

.....

7. E-mail (for notification of acceptance):

.....

8. Mobile No.: .....

I declare that the details furnished above are correct to the best of my knowledge and belief. I also undertake to abide by the rules and other conditions prescribed by GIDC Degree Engineering College, Abrama..

Place:

Date:

## About GDEC

GIDC Degree Engineering College (GDEC) is a venture of Gujarat Industrial Development Corporation (GIDC) established in 2012 under the Public Private Partnership (PPP), a scheme of Government of Gujarat. The GDEC assignment is to develop a quality education system, centre of excellence with synergy to explore innate abilities of students. Institute encourage teaching and learning through innovative practices for value based education.

The GIDC Degree Engineering College, Abrama, Navsari offers following five undergraduate courses of 4 years duration (8 semesters) leading to B.E. Degree

## About the Department

A Bachelor of engineering programme in Computer Engineering was started in the Academic Year 2012-2013 with an intake of 60 students. The **Training & Placement Cell** of our department plays a pivotal role in counselling and guiding the students for their successful career placement which is a crucial interface between the stages of completion of academic program of the students and their entry into the suitable employment. The Department organizes workshops, seminars in various specialties. In addition to campus placements, the Training and Placement Cell organizes Professional Development programs like mock interviews, group discussions, pre-placement talks, interactive sessions with industrial experts, case studies etc.

## Course Objective

C is a very powerful and widely used language. It is used in many scientific programming situations. It forms (or is the basis for) the core of the modern languages Java and C++. It allows you access to the bare bones of your computer. Further, C is a very basic language. There are no frills, no GUIs, no Matrix processing abilities, very little file I/O support, etc.

This course aims to cover basic fundamental about C programming Language including Laboratory session for each topic to be cover.

**By completing the course a student should be able to:**

- Introduction to C Programming Language.
- Various Control Structure in C
- Array, Structure and String in C
- Session on Function and Pointers
- File Management in C
