

Report of live webcast on “मैं नहीं, हम”

GIDC Degree Engineering college, Abrama, Navsari, Gujarat arranged live web telecast of honorable prime minister's interact with energetic IT professionals from across India on 24th October, 2018. The 'मैं नहीं, हम' portal is based on the principle of "Self for the Society", which brings together IT professionals and organizations to work for various social causes and bring a positive difference in the lives of our fellow citizens. The main aim of the portal is to help catalyse greater collaboration towards the service of the weaker parts of society, particularly leveraging the benefits of technology. In addition, this portal is expected to generate broader engagement of interested individuals who are motivated to bring the benefit to the society.

In this session, the Prime Minister talked with key industry leaders of well-known IT companies like Tech Mahindra, Cisco Systems, Persistent Systems, Infosys Limited, MindTree Ltd. He addressed a gathering consisting of IT professionals and employees of above listed IT companies.

In this session, the Prime Minister appreciates all the IT companies across the country for their employee's various missions taken that benefits the society directly or indirectly. Many employees has started the initiative by their own or through the help of companies in the area of education, technical training, cleaning campaign (Swachh Bharat) etc.

He encourage viewer to observe people around us who give inspiration to us about learning innovative things from them and choose that person as a role model in our life. In addition, he added that everyone should motivate school students with role model to achieve their goal. Furthermore, the Prime Minister suggested to invite school students in the university convocation so that students get inspired by seeing all the graduates and their awards and certificates.

The Prime Minister told that the government cannot do some work but the sacraments can do and if the government and sacraments tied together then there will be miracle. So honorable Prime Minister, Shri. Narendra Modi, argue to the people that change the paradigm from “I” to “We”.

The session was organized at computer Engineering Department of the college. About 15 staff members along with 100 students of final and pre-final year students of department has watched this session.
