## **Report on SSIP Sensitization seminar for UG students of S. N. Patel Institute of Technology & Research Centre (SNPITRC), Umrakh, Bardoli**

**Date: 05/09/2019**

Student Start-Up and Innovation Policy (SSIP) is originally initiated by Govt. of India. SSIP cell is trying to develop a grassroots level culture to harness creative potential of youth across academia in the state. The objective of SSIP is to ignite the students to become entrepreneurs. Students should be encouraged to become job providers rather than job seekers. Through SSIP policy, students will be provided funding to realize their start-up.

To disseminate the information regarding the SSIP, seminar have been scheduled and organized at S. N. Patel Institute of Technology & Research Centre, Umrakh, Bardoli on 5<sup>th</sup> September, 2019. As a part of this, a lecture has been organized to sensitize the staff and students of Institute by the SSIP Cell of the GIDC Degree Engineering College (GDEC), Abrama, Navsari.

Asst. Prof. Nilesh Parmar, Civil Engineering department, GDEC, Navsari, shared the vision envisaged by the government for the entrepreneurship and start-ups, and elaborately discussed success-stories of the start-up ventures in Gujarat and at the national level. The scheme objectives, institute level interventions, and the roadmap to avail benefits were shared at length with the students. Faculty of various departments along with the students participated in the session. About 200 students including faculty were sensitised. At the end of the session the speaker involved the audience by following a presentation with a question-and-answer session. This Sensitization was assisted by Asst. Prof. Kushal Patel and Asst. Prof. Tejas Patel, Computer Engineering Department, GDEC, Navsari. The programme was concluded by valedictory speech of Prof. Nikunj M. Ashiyani, Assistant professor in civil engineering Department, SNPITRC, Bardoli.
