Report on “SSIP Project Screening”

Government of Gujarat has developed a policy for providing assistance to Startups/ Innovation. Under this scheme, any individual/ group of individuals having innovative idea/ Concept will be eligible and/ or Universities/ education institutions, Incubation Centre/ PSUs/ R&D Institutions/ Private and other establishments will be eligible as an institution to support and mentor to innovators as approved by Committee. GIDC Degree Engineering College has started Student Startup Innovation Policy (SSIP) to evaluate and support students related innovative projects in the ongoing regular curriculum syllabus. Government of Gujarat under Student Startup Innovation Policy approved grant up to Rs. 2 Lakh to support innovators for proof of concept (prototyping) of the projects and 25,000 for patent support.

SSIP cell of GIDC Degree Engineering College had organized “SSIP Project Screening” on 14th October, 2019 to provide support for proof of concept or patent to potential of young students of the Institute. The screening session was initiated by Prof. Nilesh Parmar (Institute SSIP Cocoordinator), he gave brief introduction to our expert about Student Startup Innovation Policy and Screening Process. Mr. Sanjay Gandhi (Industry Expert), Dr. N. D. Sharma (Principal/Institute SSIP Chairperson), Prof. Toral Patel (SSIP Co-ordinator), Dr. Bhavin Patel (Academic Expert), Prof. Archana Nayak (Academic Expert) were present as a jury member to share their expert views and provide guidance to students. Total 38 groups registered for SSIP & from that 10 groups presented before SSIP Project Screening committee. The different project ideas were evaluated based on Innovation, Problem Opportunity, Proposed Solution, Business Model, and Project Viability. Innovative project ideas were presented by students.
